Student Assistant

Transcription of videotaped psychotherapy sessions, data management

TEACHING EXPERIENCE

Philipps University Marburg

Winter Semester 2023/2024

Tutor

Course: Multivariate Statistics (bachelor's level course about regression and latent variable modeling)

Brainhack School

2023

Teaching Assistant

Courses: Introduction to git/GitHub, Introduction to Machine Learning in Python, Introduction to Open Data, Introduction to Data Visualization in Python

Philipps University Marburg

Summer Semester 2023

Tutor

Course: Critical reading of research papers (bachelor's level course about methodological criteria of research)

Philipps University Marburg

Winter Semester 2022/2023

Tutor

Course: Multivariate Statistics (bachelor's level course about regression and latent variable modeling)

Goethe University Frankfurt

Summer Semester 2022

Tutor

Course: Research Methods and Evaluation II (master's level course about latent variable modeling)
