October 31, 2026

RESEARCH INTERESTS

- Design of research software and infrastructure
- Metascience of methodological research
- Multivariate time series methods for intensive longitudinal data
- Applied experience sampling research

EDUCATION

Marburg University 10/2022 - 07/2026
Doctoral Degree (Dr. rer. nat, summa cum laude)

Thesis: Uncertainty in Dynamic Network Modeling: Estimation, Specification, and Inference

Goethe University Frankfurt 11/2020 - 09/2022
M.Sc. Psychology

Heidelberg University 10/2017 - 09/2020
B.Sc. Psychology

Mannheim University 10/2014 - 08/2017
B.Sc. Economics

Hölderlin-Gymnasium Heidelberg 09/2005 - 06/2013
Abitur (A-levels)

WORK EXPERIENCE

Marburg University 10/2022 - present
Scientific Assistant, Psychological Methods Lab (PI: Daniel Heck)

LOEWE Center DYNAMIC 02/2025 - present
Statistical Consultant

Creation of consulting service on conceptualization, study planning, statistical analyses, and statistical programming.

Marburg University 02/2024 - present
Statistical Consultant, Center for Translational Clinical Psychology

Consulting on conceptualization, study planning, statistical analyses, and statistical programming.

Freelance Work 11/2022 - present
Statistical Consultant

Consulting on conceptualization, study planning, statistical analyses, and statistical programming for clinical psychological researchers from multiple research groups and clinics.

Goethe University Frankfurt 11/2021 - 08/2022
Student Assistant, Departments for Psychological Methods

University Hospital Frankfurt 10/2020 - 10/2021
Student Assistant, Horizon 2020-funded Eat2BeNice project (PI: Silke Matura)

Institute for Psychosocial Prevention Heidelberg 10/2019 - 12/2019
Student Assistant

RESEARCH VISITS & INTERNSHIPS

National University of Singapore 02/2026 - 03/2026
Visiting Doctoral Student (PI: Sacha Epskamp)

Research visit in the Department of Psychology, Lab of Methods, Data Science & AI

University of Groningen 09/2024 - 10/2024
Visiting Doctoral Student (PI: Laura Bringmann)

Research visit in the Psychometrics and Statistics Department

Leiden University 03/2022 - 06/2022
Research Intern, ERC-funded WARN-D Project (PI: Eiko Fried)

Working with experience sampling and passive sensor data in a project aiming to build an early-warning system for depression

German Depression Foundation, Research Center 03/2021 - 04/2021
Research Intern, STEADY project (PI: Ulrich Hegerl)

PZN Nordbaden (Psychiatric Clinic) 02/2020 - 03/2020
Clinical Intern

TEACHING EXPERIENCE

Marburg University 2025

Modelling and data analysis in R (master's level statistical programming seminar)

Marburg University 2023 & 2024 & 2025

Critical reading of research papers (bachelor's level seminar about methodological criteria of research)

Marburg University 2022 & 2023 & 2024

Multivariate Statistics (bachelor's level seminar about regression and latent variable modeling)

Brainhack School 2023

Introduction to git/GitHub, Introduction to Machine Learning in Python, Introduction to Open Data, Introduction to Data Visualization in Python

Goethe University Frankfurt 2022

Research Methods and Evaluation II (master's level seminar about latent variable modeling)

1. **Siepe, B.S.** & Kloft, M. (2024). `tsnet`: Comparing and Visualizing Networks based on Time Series Data (R Package). Available on CRAN (https://doi.org/10.32614/CRAN.package.tsnet). Status: Maintainer, Author

INVITED TALKS & KEYNOTES

2026

16. *Research abroad.* Panel discussion at the ECR Meeting of the DGPs Methods and Evaluation Section 2026, Frankfurt, Germany.

15. *Simulation Studies for Methodological Research: Status Quo, Issues, and Potential Solutions.* **Keynote**, 1st Interdisciplinary Symposium on Meta Science for Methods Research, University of Zurich (August 2026).

14. *Simulation Studies for Methodological Research: Status Quo, Issues, and Potential Solutions.* Flake Lab, University of British Columbia (August 2026), online.
13. *Simulation Studies for Methodological Research: State of the Art, Issues, and Potential Solutions.* Online Lunch Lectures on Monte Carlo Simulation Studies (July 2026), online.
12. *Improving Methodological Research in Psychology: Preregistration, Transparent Reporting, and Benchmarking.* Leibniz Institute for Educational Trajectories (LIfBi), Bamberg (June 2026).
11. *Benchmarking psychological time series methods.* DynaNet Meeting, University of Amsterdam (May 2026).
10. *Introducing openESM: A database of openly available experience sampling datasets.* Psychology Lunch Seminar Talk, Nanyang Technological University Singapore (March 2026).
9. *Introducing openESM: A database of openly available experience sampling datasets.* Measurement is the new black consortium meeting (March 2026), online.

2025

8. *Introducing openESM: A database of openly available experience sampling datasets.* Group Meeting of the Oxford Emotional Disorder Genesis and Evolution (EDGE) Lab, University of Oxford (November 2025), online.
7. *Simulation Studies for Methodological Research: State of the Art, Issues, and Potential Solutions.* Colloquium of the Statistics and Psychological Methods Working Unit, University of Münster (June 2025).
6. *Simulation Studies for Methodological Research: State of the Art, Issues, and Potential Solutions.* With Samuel Pawel, Colloquium of the Methods and Evaluation / Quality Assurance Unit, Freie Universität Berlin (April 2025), online.
5. *Why, when, and how (not) to preregister.* Neurophysics Group Meeting, Department of Physics, Marburg University (February 2025).

2024

4. *Exploration of Ecological Momentary Assessment Data.* Measurement is the new black consortium meeting (May 2024), online.
3. *Historical and Recent Trends in the Forecasting Literature.* WARN-D Group Friday Science Meeting, Leiden University (February 2024), online.

2023

2. *Good Practices for Simulation Studies.* ReproducibiliTea Frankfurt (November 2023), online.

2021

1. *Journal of European Psychology Students & Academic Writing Primer.* EFPSA Research Summer School (July 2021), online.

WORKSHOPS

2026

10. *Research on research methods.* 3h workshop on simulation studies for German students and PhD candidates, with Susanne Frick & Julien Irmer, online (May 2026).
9. *Introducing openESM: A Database of Openly Available Experience Sampling Datasets.* 1h workshop for the Psych #rstats Club, online (April 2026).

2025

8. *Reproducible research in R and Quarto.* 6h workshop for the Graduate School of Education, University of Wuppertal (June 2025).
7. *Research on research methods.* 3h workshop on simulation studies for German students and PhD candidates, with Susanne Frick & Julien Irmer, online (May 2025).
6. *Preregistration in psychology and related fields*. 4h Workshop, with Anabel Büchner, Berlin University Alliance (January 2025).

2024

5. *Introduction to Data Visualization in R*. 1h Interactive Session, Correlaid R Learning Program, Online (November 2024).
4. *Introduction to Dynamic Network Analysis*. 2h Workshop, DYNAMIC Center ECR Day, Goethe University Frankfurt (October 2024).
3. *Analysis of Pre-Post Designs*. 1.5h Workshop, Department of Clinical Psychology and Psychotherapy, Marburg University (March 2024).

2023

2. *Dynamic Network Analysis in R*. 3h Workshop, Department of Clinical Psychology and Psychotherapy, Goethe University Frankfurt (June 2023).
1. *Introduction to Dynamic Network Analysis*. 1.5h Workshop, Department of Clinical Psychology and Psychotherapy, Goethe University Frankfurt (March 2023).

CONFERENCE PRESENTATIONS

2026

21. *Towards benchmarking of psychological time series.* Talk at the ECR Meeting of the DGPs Methods and Evaluation Section 2026, Frankfurt, Germany.
20. *Introducing openESM: A database of openly available experience sampling datasets.* Symposium Talk, Society for Ambulatory Assessment 2026, Vienna, Austria.
19. *Introducing openESM: A database of openly available experience sampling datasets.* Flash Talk, Society for Digital Mental Health Annual Meeting 2026, online.
18. *Introducing openESM: A database of openly available experience sampling datasets.* Symposium Presentation, Association for Psychological Science (APS) Annual Convention 2026, Barcelona, Spain.
17. *Using features of dynamic networks to guide treatment selection and outcome prediction: The central role of uncertainty.* Symposium Presentation, Association for Psychological Science (APS) Annual Convention 2026, Barcelona, Spain.
16. *Introducing openESM: A database of openly available experience sampling datasets.* Australasian Mathematical Psychology Conference 2026, Singapore.

2025

15. *Simulation studies for methodological research: Status quo, problems, and potential solutions.* Symposium talk, Conference of the DGPs Methods and Evaluation Section 2025, Berlin, Germany.
14. *Combining machine learning with mixed effects models.* Symposium organizer and chair, Conference of the DGPs Methods and Evaluation Section 2025, Berlin, Germany.
13. *Panel Discussion: Quality Standards for Simulation Studies.* Panel discussion organizer and panelist, Conference of the DGPs Methods and Evaluation Section 2025, Berlin, Germany.

12. *Associations between ecological momentary assessment and passive sensor data in a large student sample.* Symposium Presentation, Annual Meeting of the Society for Ambulatory Assessment 2025, Leuven, Belgium.
11. *GIMME, GIMME more (network models): Multiverse analysis for dynamic network models.* Symposium Presentation and Co-Chair of the Symposium, Annual Meeting of the Society for Ambulatory Assessment 2025, Leuven, Belgium.
10. *Simulation Studies for Methodological Research in Psychology.* Symposium Presentation, 7th Joint Statistical Meeting of the German Statistical Working Group (DAGStat), Berlin, Germany.

2024

9. *Bayesian Estimation and Comparison of Idiographic Network Models.* Symposium Presentation, International Meeting of the Psychometric Society (IMPS), Prague, Czech Republic.
8. *Quality Standards for Simulation Studies in Psychometrics.* Panel Discussion Participant, International Meeting of the Psychometric Society (IMPS), Prague, Czech Republic.
7. *Simulation Studies for Methodological Research in Psychology.* Lightning Talk, Virtual Meeting of the Society for the Improvement of Psychological Science (SIPS), online.
6. *Simulation Studies for Methodological Research in Psychology.* Presentation, Virtual Meeting of the Society for Mathematical Psychology, online.

2023

5. *Bayesian Estimation and Comparison of Idiographic Network Models.* Symposium Presentation, Meeting of the German Society for Methods & Evaluation in Psychology (FGME), Konstanz, Germany.
4. *Augmenting Self-Reports with Passive Sensor Data to Understand Changes in Mental Health.* Symposium Presentation, Annual Convention of the Association for Psychological Science (APS), Washington D.C., US.*
3. *Developing EMA Items to Build an Early Warning System for Depression (WARN-D Study).* Symposium Presentation, Annual Convention of the Association for Psychological Science (APS), Washington D.C., US.
2. *Using passive sensor data to understand changes in mental health outcomes.* Symposium Presentation, International Convention of Psychological Science (ICPS), Brussels, Belgium.*

2022

1. *Temporal Dynamics of Depressive Symptomatology.* Presentation, Annual Meeting of the German Society for Psychiatry and Psychotherapy (DGPPN), Berlin, Germany.

POSTER PRESENTATIONS

2025

2. *Taking uncertainty into account is central when using dynamic network features as predictors.* Poster Presentation, Conference of the DGPs Methods and Evaluation Section 2025, Berlin, Germany.
1. *Taking uncertainty into account is central when using dynamic network features as predictors.* Poster Presentation, Annual Meeting of the Society for Ambulatory Assessment 2025, Leuven, Belgium.

SUPERVISION

First Supervisor: 9 Bachelor's, 3 Master's theses
Second Supervisor: 10 Bachelor's, 15 Master's theses

*Shared first-authorship or coauthor with significant contributions to presentation

AWARDS

SIPS Commendation 06/2026

Awarded by the Society for the Improvement of Psychological Science (SIPS) for openESM

Best Poster Award 05/2025

Awarded at the Society for Ambulatory Assessment Conference 2025 for the poster "Taking uncertainty into account is central when using dynamic network features as predictors"

Student Teaching Award 07/2024

Awarded by the student council psychology at Marburg University

RESEARCH GRANTS

DFG Individual Research Grant 07/2026

Amount: 299.771€. Project: "Empirical Benchmarking of Time Series Models in Psychology: Building a Foundation for Personalized Prediction" (PI)

DYNAMIC Center Mini Grant 01/2026

Amount: 4.136,91€ (internal grant). Financing research project in Singapore

TRAVEL GRANTS & SCHOLARSHIPS

DAAD Conference Stipend 05/2026

Amount: 873€. Travel to APS 2026

DAAD Research Travel Stipend 08/2024

Amount: 2.259€. Financing research stay in Groningen

DAAD Conference Stipend 07/2024

Amount: 950€. Travel to the IMPS 2024 Annual Meeting

Marburg Research Academy Conference Funding 07/2024

Amount: 1.500€. Co-Applicant on behalf of Open Science Initiative at Marburg University

APS Conference Financial Assistance 03/2023

Amount: 400$

Erasmus Internship Stipend 03/2022

Amount: 1.089€. Financing research stay in Leiden

German Federal Scholarship (Deutschlandstipendium) 10/2021

Amount: 3.600€ (over one year)

PROFESSIONAL TRAINING

Combining R and C++, DAGStat 2025
Linear Algebra for Machine Learning, Imperial College London, Coursera 2022
Modeling the Dynamics of Intensive Longitudinal Data, Utrecht Summer School 2021
Introduction to Statistical Learning, StanfordOnline, edx Course 2021
Practical Time Series Analysis, SUNY, Coursera 2021
Improving your Statistical Inferences, TU Eindhoven, Coursera 2020

ACADEMIC SERVICE

Organizer of Online Lunch Talk Series on Simulation Studies (URL)	2026
Contributed to PandaR Teaching Resources (URL)	2025 & 2026
Second Chair of the Task Force on Quality Standards for Simulation Studies of the Psychometric Society	2025 - present
Member of Tenure Track Commission, Department of Psychology, Marburg University	2025 - present
Head of the Special Interest Group for Quality Standards for Simulation Studies of the Quantitative Methods Subgroup of the German Psychological Association	2025 - present
Website coordinator, MITNB Consortium (URL)	2024 - present
Member of Doctoral Committee, Department of Psychology, Marburg University	2023 - present
Board Member Open Science Initiative, Marburg University	2022 - present
Co-Organizer Brainhack Marburg	2023 & 2024 & 2025
Co-Organizer Open Science Days Marburg	2023
Co-Host ReproducibiliTea Frankfurt	2022
Board Member Open Science Initiative, Goethe University Frankfurt	2021 - 2022
Student Council Psychology, Goethe University Frankfurt	2021 - 2022

PROFESSIONAL MEMBERSHIPS

Member of the Society for Ambulatory Assessment (SAA)	2025 - present
Member of the German Society for Psychology (DGPS)	2023 - present

COMMUNITY SERVICE

CorrelAid Volunteer	2024 - present
Student tutor at Asylarbeitskreis Heidelberg (refugee aid)	2015 - 2021
Co-host of yearly after-school orientation day, Hölderlin-Gymnasium	2019 - 2021
Involvement with Jugend Rettet (refugee aid)	2017 - 2018
Assistant coach, youth soccer team of ASC Neuenheim	2013 - 2014

MEDIA COVERAGE

Press release by Leiden University on our article "Associations between ecological momentary assessment and passive sensor data in a large student sample" (URL)
Article on the same paper in The Guardian (URL), GQ (URL), Lifehacker (URL), Athletech (URL), Techspot (URL), and Gizmodo (URL), and Interview by The Signal, the newsletter of the Society for Ambulatory Assessment (URL)
Interview on the Center for Open Science Blog about preregistration for simulation studies (URL)

EDITORIAL POSITIONS

Editorial Fellow, Advances in Methods and Practices in Psychological Science	2026 - 2027
Editorial Team, Journal of European Psychology Students	2021 - 2023

REVIEWING

Ad-Hoc reviewer for *Administration and Policy in Mental Health and Mental Health Services Research*; *Behavior Research Methods*; *Brain, Behavior, & Immunity - Health*; *Acta Psychiatrica Scandinavica*; *Advances in Methods and Practices in Psychological Science*; *Child Psychiatry & Human Development*; *Journal of Consulting & Clinical Psychology*; *Psychological Methods*; *npj Digital Medicine*; *Nature Human Behaviour*; *Multivariate Behavioral Research*; *Journal of Open Source Software*; *Cognitive Therapy and Research*; *Journal of Robustness Reports*; *Journal of Mathematical Psychology*; *British Journal of Mathematical and Statistical Psychology*; *PCI Psychology*.
Reviewer for the Bi-Annual Meeting (2024) of the *German Psychological Society (DGPS)* and the Annual Meeting (2026) of the *Society for Ambulatory Assessment*.
